Tucker For Mapp

Harry St. George Tucker, Congressman from the Tenth District, and former candidate for Governor of Virginia, favors G. Walter Mapp in the coming election, according to a statement given out last night from Mapp headquarters

In a letter to a Richmond friend under date of July 8th, Mr. Tucker said that he considered the question of tax equalization the chief issue in the campaign, and that on the question he considered that Mapp and Byrd occupied diametrically opposite positions.

FLOWERS MAPP PLAN

Mr. Tucker expressed himself as strongly in favor of the plan advocated by Mapp as holding out the only guarantee for equalization of taxation in the State. He concluded his letter by stating that because he agreed with Mr Mapp's views on the issue and disagreed with Mr. Byrd's opinions, he intended to vote for the Accomac candidate.

Mr Tucker has a strong following throughout the State and his declaration of support for Mr. Mapp is expected to prove highly beneficial to the candidacy of the latter.—Times-Dispatch July 13, 1925.

Candidates for Governor are getting so heated-up that the issues in which the people are interested are being side-tracked for personal explanations. No mud-slinging campaign ever enlightened a public. We hope the candidates will hold for a clean campaign of enlightenment. Both of the candidates for Governor are regarded as splendid men and both have a good following in this county and we should be glad to have their claims for the Governorship decided by our people on the merits of the platform of the candidates and not personal appeals on any other grounds other than the issues.

Punk Roading

The State Highway department started at great expense to complete the stretch of road between Pamplin and Foggy Mann Mountain several weeks ago and had graded more than a mile of the road. It is said the N. & W. Ry., desired the closing of three crossings between Pamplin and the overhead bridge on Foggy Mann Mountain and had agreed to pay $37,000 towards cost of building said highway project. At the meeting of the Board of Supervisors last week the action of the Board in closing said crossings and making private roads of these public roads and erecting gates was opposed by a large number of citizens who protested so vigorously that the Board rescinded their action, and it was understood that efforts would be made to have one overhead bridge between these crossings before allowing same to be closed. The highway department without making any effort to adjust the matter pulled up stakes and moved away.

The people want to know if the building of State Highways we feel certain that any reasonable convenient bridge would be acceptable to the people. Through highways and through trains are desirable, but the people can hardly be expected to surrender all local conveniences in order to obtain same.

The highways must be built, the railroad must make their crossings safe for the public. They are required by the public is dependant upon the funds derived from R. Rs. for surrendering life-long conveniences or the tax money of all the people. Certainly the people of Appomattox will not submit to the injury and inconvenience proposed in closing crossings and roads suggested by R. R. and Highway department. We want roads and have always offered co-operation with road authorities and neither can assume an autocratic or arbitrary policy without injury and inconvenience to themselves and the public which they are in duty bound to serve.

Let the highway department and the railroad adjust the matter with those effected and build the road and close three of the crossings between Appomattox and campbin by erecting at a convenient place one overhead bridge.

A called meeting of the Democratic Ex. Committee will be held in the Courthouse Saturday at 3 p m, to consider matters of importance to the members of the party and candidates for party honors.

Dark Members

Dark fired tobacco growers of Virginia will reap the reward of orderly marketing this month when the Tobacco Growers Cooperative Association makes full and final payment of 55 grades of tobacco from three crops delivered by the members. This payment, which involves the calculation of the amounts which the association owes to each member on deliveries made during the past three seasons, was originally planned for July 15th, but will be delayed for a few days owing to the fact that sales deliveries on a few grades of tobacco were not completed in accordance with the expectations of the management. General manager Patterson, of the Association stated this week, however, that the payment to the members of the association in the dark tobacco district of Virginia is certain to be made before August 1st. The total amount of the distribution will exceed $300,000 and will be the largest amount of money ever received at this time of year by Virginia growers of the dark tobacco district.

On the 1922 crop the members will receive approximately $125.000, on the 1923 crop, $113,000 and the few grades of the 1924 crop which have been completely sold out will bring the members $74,000. The tobacco association has previously paid its members of the dark fired belt 90% of bankers' valuation on their deliveries of the 1922 crop, 80% on the 1923 crop and 50% on the crop of 1924.

Checks go out before August 1st.

FELT SLUGGISH

Illinois Man Tells About His Relief from Indigestion.

"I used to suffer," says Mr. Walter W. Macdonald, of 711 Fairview Ave., Edwardsville, Ill., "with indigestion, a tight feeling in my chest after meals—hot sluggish, lazy and dull and out of sorts. I would be very constipated.

"Some one recommended Black-Draught. I began using it. I found it so very satisfactory I have used it ever since. I wouldn't be without it.

"My work is inside. I do not get as much exercise as I would like, and at times my system gets clogged and I would see the necessity of a good active medicine.

"After one or two doses of Black-Draught, my head clears up and I feel like new.

"For stomach or liver trouble, Black-Draught does good."

Thedford's Black-Draught is recommended by thousands of others for the relief of many common ailments due to a torpid liver, needing laxative or cathartic stimulation.

Bigger Buying Power Builds Your Business

The Tobacco growers Cooperative Association has steadily increased the buying power of tobacco farmers in your community.

Government statistics show that in 1922 it took only 20 pounds of tobacco to buy 100 pounds of barb wire, while in 1914 it took 31 pounds of tobacco to bring the price of 100 pounds of barb wire. Do you have to ask which is best for you, Mr. Farmer and Mr. Business Man?

The same farmer whose tobacco would buy a third more barb wire than in 1914 found in 1922 that it took him 7.2 bushels of corn to get 100 pounds of wire that had cost him only 4.8 bushels of corn in 1914. His wheat also lost in buying power, while tobacco increased.

Problem: How did tobacco farmers increase the buying power of their tobacco at a time when the buying power of their corn and wheat fell far below its former value?

Answer: The Tobacco Growers Cooperative Association, which has directed the orderly marketing of 445,000,000 pounds of tobacco for growers who have organized in three states and paid out $72,500,000 to its members in Virginia, North Carolina and South Carolina, has kept up the buying power of tobacco growers in these three states during the past three years. It has brought fully 100 million dollars to the farms, the stores and the banks of our section which they would have lacked without the organization of the farmers to keep the price of their tobacco up.

Seeing is believing! Here are the facts. Read them and think!

Figures compiled from "Prices of Articles Bought by Farmers," Table 537, U. S. Department of Agriculture Year Book 1922, using December 1, estimated farm price of above crops for years 1914 and 1922. Figures for 1923 not yet available.

Do you want to dismiss those 100 million dollars from our section for the next few years? Think it over Mr. Farmer, who gets it first; Mr, Merchant, who takes it next; Mr. Banker, who holds it last.

Can we afford to let the tobacco farmer lose that buying power that he is gaining and increasing by the Tobacco Growers Cooperative Association?

This is a practical question that calls for a practical answer in the form of immediate action. You can keep prices up by helping the tobacco farmer get 100 cents per pound for his crop by marketing through the Association, where it will bring them best returns, where it will help to maintain the price of the chief crop of our section. Mrs. Stella Caldwell Covington

Wife of Joel Walker Covington died at her home near Hollywood in Appomattox county Sunday morning and was buried Monday June 13th in the family burying ground at her home (the residence of the late Joel W. Jenkins).

This fine Christian woman was in the 38th year of her age and was loved by all who knew her.

She was married to Joel Walker Covington August 24th 1921, who survives Mrs. Covington, one of the surviving twin-babies have the sympathy of the entire community.

The pall-bearers were: Hubert Caldwell, James Caldwell, Henry Caldwell, Richard Jenkins, Clem Woodall and Martin Covington.

The floral tributes were beautiful.

Deceased was a daughter of Mr. and Mrs. W. B. Caldwell, of Bedford county and she leaves to mourn their loss beside her husband and infant twin son and mother and father the following brothers and sisters: Messrs. W. H. Simms and R. E. Cheatham of Appomattox, and Raymond, A. C., and William Caldwell, Mrs. S. L. Knight, and Misses Evelyn and Irine Caldwell of Bedford. To see one in the bloom of health taken from home and family looks hard and it is a cross we have to bear. May we all say from the depth of our hearts God's will be done.

The burial services were impressively conducted by her pastor Rev. Burnett, assisted by Rev. Royal of Lynchburg. A very large crowd attended the funeral of this popular lady.

Killed

"Frizzy" Coles killed outright Sampson Madison, dead a few hours later, and Martha Hancock, all negroes, were the victims of a railroad crossing accident occurring at Pamplin Saturday. They attempted to cross with their Ford roadster in front of passenger train number 8 bound for Petersburg, with engineer Bowles and Conductor Wallace, in charge. They apparently failing to note the approach of number 8, drove directly onto the crossing in front of it.

"Frizzy" Coles was driving. The car was carried on the pilot beam for about 200 feet before the train could be stopped.

Madison and the Hancock woman were given immediate attention and a little later put aboard Number 5 and carried to Lynchburg. They lived at Madisonville, near Pamplin.

Obituary

The death of J. C. Ferguson took place at his home near Spout Springs Tuesday evening July 7th. He had suffered with dropsy for about six months, and had been confined to his bed for the last three months. He is survived by his wife and seven children—Mrs. E. M. Phillips, Mrs. W. P. Hylton, of Roanoke, Va. Mrs. L. W. Bryant, of Appomattox, Geie Ferguson, Curtis, Howard and Joel Ferguson.

He was a member of Hollywood Baptist Church, and was 62 years old. His remains were interred Wednesday evening at the old family burying ground near Hollywood.

Birthday Party

On Saturday evening July 11, the beautiful and attractive home of Mr. and Mrs. E. G. Blackwell was the scene of a very pretty birthday party given in honor of their son, Frank on his 29th birthday.

More tha ninety people were present and the evening was spent in dancing and serving refreshments on the lawn, consisting of ice cream and cake.

The music was rendered by Mitchell brothers. At a late hour the crowd left for their homes wishing Frank many more birthdays.

Murphy—Babcock

A wedding of much interest was that of Miss Mary Hester Babcock, daughter of Mr. and Mrs. H. C. Babcock, of Appomattox to Mr. Pitchugh Lee Murphy, son of Mr. and Mrs. S. B. Murphy, of Chalk Level, Va. The wedding was solemnized Sunday morning at 8 o'clock July 14th, in a private parlor of the Virginian Hotel in the presence of a host intimate friends and relatives. Rev. D. G. Trent, pastor of the bride, officiated, using the impressive ring ceremony.

An improvised altar of white stars, embanked with ferns, palms and lilies was used, intermingled with cut flowers of orchelia, roses, delphium and mums and lighted by candelabra, the color scheme being pink and white was carried out artistically.

The bride entered on the arm of her father, who gave her in marriage. She was beautifully attired in an imported gown of midnight blue chiffon with blond trimming and accessories to match, her hat being a chick model, was of black satin and French lace, and carried a shower boquet of brides' roses and delphiums. Her only ornament was a diamond bar pin, gift of the groom. The bride's only attendant was her sister, Mrs. Loyd Cates, of Burlington, N. C. beautifully gowned in light blue and carring pink roses. Mr. P. A. Murphy, of Gretna, brother of the groom, was best man.

The out-of-town guests for wedding were Claude Cates, Willie, Harriet and Nellie Cates, Howard Fogleman, of Burlington, N. C., Miss Elizabeth Veitor, of Germany, Mrs. Ferguson, of Danville, Mrs. Keesee, Mr. Ramsey, P. O. Barksdale, Mr. and Mrs. Carter, Mr. and Mrs. Murphy, Mrs. Parker, of Gretna, George Moore, of Roncefort, W Va., Mr. and Mrs. W. R. Moore, Tampa, Fla., Mrs. I. B. Bumgardner, of Marlington, W. Va., Miss Annie Laurie Moore, Crewe, Va., Mrs. Blanche Sweeney, Miss Mary Sweeney, of Lynchburg, Mrs. Cardwell of Concord, B. B. Sweeney, Miss Viola Barnett, Miss Kathleen Babcock, Mr. and Mrs. B. C. Babcock, Howard Dillard and F. Perrow, of Lynchburg.

STONEWALL

Mr. and Mrs. J. T. Whitten and S. E. Anderson visited Mr. and Mrs. Whitten's daughters in High Point, N. C., last week-end. Mrs. Whitten remained for a longer visit.

Miss Laura Whitten of Philadelphia, is visiting home people.

Miss Nellie Anderson is visiting friends in Lynchburg.

Mr. and Mrs. J. E. Carson and little son J. E. Jr., of Chicago, are spending several weeks with Mr. and Mrs. E. H. Carson.

Mrs. C. M. Stratten Jr. and little daughters Louise and Fay, of Alexandria, arrived recently to spend the summer with her parents, Mr. and Mrs. E. H. Carson.

Mr. and Mrs. Parks Jennings and children and Miss Agnes Christian left Friday on a week's motor trip in western parts of the State.

Miss Kizzie Burnett of Roanoke, has been a recent visitor in the neighborhood.

Miss Laura Drinkard of Lynchburg, was week-end guest of Miss Evie Drinkard.

Rob Stratton of Florida, arrived Sunday to spend sometime with his parents Mr. and Mrs. R. M. Stratton.

Miss Annie Alvis is on a two weeks motor trip to Clifton Forge and Hot Springs, accompanied by a girl friend.

HIXBURG

Some of Hixburg members are going to the new Baptist church at Prospect and here we are constrained to say that our loss is their gain.

Our pastor, Rev. Duling, preached a good sermon from a subject that the writer calls the hardest of all and that is to rule or bridle the tongue as we should.

Mrs. E. E. Glenn and children and Mr. and Mrs. W. A. Swan spent Sunday in the home of Mr. and Mrs. Ray Young of Prospect.

The hearts of our farmers were made glad for a short while on Sunday and Monday afternoons when it looked as if the dry spell would be blessed with a rain which was real light but may we be thankful for the little and try to be more thankful for more. I really believe that if we would live and act as we should in reverence to our Great Maker the awful drouth that visit some of the lands would be transformed to showers of blessing.

We are thru threshing a good crop of wheat, some crops going up to the 600 mark.

Mrs. Edgar Covington is right sick.

Machine Revolution.

What a great change has been made in a half century. The writer remembers seeing wheat threshed with a small machine called the "ground hog." It was a little box affair that sat on the ground and was stobbed. It contained a clynder and pulley. Like corn sheller this machine it was operated by horses. The wheat, straw and chaff went together. The straw was forked away, the wheat was then gotten up and fanned out with a fan. The toll was five bushels.

The next machine that came was what we call the separator. It separated the straw from the chaff and the chaff from the wheat. This was also operated by horses. It took eight horses to pull this machine, it had four levers and two horses to each lever. The horses would go round in a circle with a man in the middle to drive. Five bushels was the toll. The people furnished the toll. The people furnished the power to thresh their wheat.

Next comes the steam which was a great relief to the horses, in hot weather.

In a few years the gasoline engine was invented. The machine man furnished all the power, but still gets five bushels.

The last power machine is the tractor. A very expensive piece of machinery. They are now threshing and moving their machinery and it is hard to get more than five bushels. Now is the time for the machine men to make a change or go broke.

Card of Thanks

I wish to thank my many friends and neighbors for their kindness and sympathy shown me during the illness and death of my wife. Also for the floral designs.

BADLY RUN-DOWN

Lady Was Very Depressed on Account of Poor Health.

Mrs. H. S. Miller, of Spindale, N. C., says: "Five years ago I was very much run-down in health. I would give out with the ... exertion. At times I would ... to go to bed.

"I read of Cardui. ... My husband got me a bottle and ... I improved me to like it. I was almost a skeleton, I was so thin. I was run-down and my general health was very poor. This was very depressing and I was in low spirits. My husband had to help me around. He did all he could for me and had me keep up Cardui.

"I continued taking the medicine for several months and it was wonderful the improvement I made. I gained over twenty pounds in weight, and I felt so much better besides. This gain was permanent, too. I have never lost it and my general health has been much better since I took Cardui."
